REST IN THE PEACE OF CHRIST

BALTAZAR PINHEIRO

**A Message From
Pope Francis
For The 8th World Day Of The Poor
November 17, 2024**

The Prayer of the Poor Rises Up to God (cf Sir 21:5)

The prayer of the poor rises up to God (cf. *Sir* 21:5). In this year dedicated to prayer in anticipation of the Ordinary Jubilee of 2025, this expression of biblical wisdom is most fitting as we prepare for the Eighth World Day of the Poor, which will be observed on 17 November. Indeed, Christian hope embraces the certainty that our prayer reaches God's presence; not just any prayer but rather the prayer of the poor! Let us reflect on this word and "read" it on the faces and in the stories of the poor whom we encounter daily, so that prayer can become a path of communion with them and a sharing in their suffering.

The *Book of Sirach*, of which we are speaking, is not sufficiently known, yet it deserves to be discovered for the richness of its themes, especially regarding the relationship of humanity with God and with the world. Its author, Ben Sira, was a teacher, a scribe in Jerusalem, likely writing in the 2nd century B.C. He was a wise man, deeply rooted in Israel's tradition, who taught on various aspects of human life: work, family, social life and the education of the young. He paid special attention to themes related to faith in God and observance of the Law. He tackled the difficult issues of freedom, evil and divine justice, which are still highly relevant to us today. Inspired by the Holy Spirit, Ben Sira sought to point out to everyone the path to follow in order to live a wise and dignified life in the eyes of God and our brothers and sisters.
